

Determining Your Ring Size

Please read the information carefully and follow all instructions exactly in order to get the best possible fit for your ring.

1. Make sure your print size is set to 100% or actual size.
2. Print the chart below to help you determine the best possible fit.
3. Select a ring that comfortably fits the intended finger.
4. Placing the ring over the circles below, match the inside edge of the ring to the nearest circle in size.

Helpful hints:

- If your ring falls between two different sizes, it's wisest to choose the larger size.
- Fingers are at their smallest when they are cold.
